

Tape #9

Crescent Lake Video Shoot

Our Life on the Road Allowance

This guy is gonna teach you how to plaster. Do you hear me? Two of you come here. Just two. Just two. One over here. One over there. You here. Put lots. That's the way. That's the way. How. You out there. Another one now. It's got to be on here. Ah how. He is teaching the kids how to plaster. Do you see it. Do you see it? Yeah. That's enough. They would like to know how we made our buildings. That's how they plastered. What? That's enough. How. You too. That's it. Miles' little old lady wants to try it too. Ah ha. Ah, this one should be slick at it. Wait. Wait. That's it. They used to plaster inside too. Not only on the outside. Same as the inside. That's it. Cut.....
